Judges Bio:

Nelson Roque – Hialeah, FL. Show Announcer

Mr. Roque has been a native to Miami for most of his life. He picked up a guitar at the age of 15 and had lead a musical life ever since. He was first introduced to the High School Band scene when he became a devote band parent at Hialeah High School in 1996. He primarily served as the Master of Ceremonies and ran sound equipment for the band's functions and concerts.

Mr. Roque announced his first competition in 1997 during the inaugural year of the Hialeah Showcase of Champions. His contributions became a success through the years, eventually being lovingly referred to, by those who know him, as "The Voice of Hialeah". In 2004, Mr. Roque was invited to announce the Marching MPA in Miami-Dade County.
