Fundraising Front

I wanted to personally thank everyone who came out and helped with the carnival. It's a huge undertaking that requires a lot of volunteers. Thanks especially to the Falcon Sound Board Members, most of you were there everyday all day, you're the best! We had another rain out on Sunday and finally called it a day around 6:00 PM (just in time to run home and see the Super Bowl). While it wasn't one of our best money making years, we did see a pretty good profit to be used for wonderful things ahead. I hope each of you will consider putting in a few more volunteer hours when you're called upon to keep this program going strong. Thanks again!

Color Guard is still selling candy, so let's support them whenever you can!

Treasurer's Notes

Hello FSA Parents and Students, As we round the corner towards the final quarter of this school year, it is very important to remember that all your fees must be paid in FULL, especially if you are a senior applying for a scholarship or if you

have any intention of going to the Falcon Sound Alliance Banquet on May 18. If you have any questions about your account I encourage you to call me at 954-437-8016 or email me at tkofam@aol.com, and I will be happy to assist you in any way I can.

Thank you,
Terri Oien

Captain's Log

Hey Band,

While we are still in the middle of concert season, it's already time to start thinking about marching season. Yes, that's right! Mr. Rivero and Mr. Broadbent are already working on our show theme for next year as well as our music. They met with our music composer last month to start discussing ideas. Be sure to mark your calendar with our upcoming Spring Training dates. Upcoming freshmen are invited to join us, so let's make a good impression.

The Band and Guard calendars on the website are available through August, including end of year activities, mini-camps, and band camp.

Band Camp is August 13 - 17, 2007!

In the meantime, keep up the practice in concert season.

Kristie Schmidt
Band Captain
