Iliia Blandina  
Lakiesha Lysee  
Sandra McTague

Falcon Sound Invitational on Saturday, October 5, 2018 is managed by the FSA booster club.

Our goal this year is to try to get as much donations as possible, instead of paying out of pocket for things. Some possibilities:

- Tents
- Tables - Dean suggested ordering less tables
- Propane from Home Depot or Lowes
- Portable Lights (Sunbelt - they normally donate, but we need to secure this ahead of time)
- Food (We need to start writing letters to Publix, Winn Dixie, Walmart, Whole Foods and FreshMarket asking for donations)
  - Buns
  - Burgers and Hot Dogs
  - Chips
  - Sodas and Water
  - Bakery items
- Judges Meals - Reach out to a Restaurant that we order from throughout football season or the school year
  - Tijuana Flats
  - Sals Pizzeria
  - Marco's Pizza
  - Firehouse Subs (West)
  - Diana Marinez said she would be able to cook rice, beans, lechon and plaintains. She will provide a quote of what it may cost to confirm that it is more economical than ordering from a restaurant
- Miscellaneous items from Dollar Store and Party City

- Cups for the watering station – we can reach out to the fast food places and see if they can donate small cups.
- Corporate sponsorships are available. Letter to the construction and architect firm that are doing the renovations at the school will be sent out.

Sherry Rini wrote a donation and distributed to all board members to personalize.

Diana Marinez requested the Invitational manual be emailed to her. Meeting for chairperson recruitment needs to be scheduled.

New electric person needs to be found as Robbie Mancl moves over to the food tent.

Football game on Friday, October 5 versus Miramar High School will not allow us to setup for Invitational the evening. Setup will have to start earlier on Saturday.

Meeting Concluded at 7:00 pm
