

2024 Falcon Sound Invitational
Meal Deal Information Sheet

We are excited to have your organization join us for the 21st Annual Falcon Sound Invitational.

Due to official rules NO OUTSIDE FOOD, OUTSIDE COOKING, OR MEAL PREP is permitted at the Falcon Sound Invitational. We would like to offer you the opportunity to pre-order meals for your program. This is a convenient way for you and your students to be fed and bypass the long lines at the concession stands. Please note that these meals are only being offered to the competing bands. Each boxed meal is \$12.00. Each meal comes with a main meal, chips, dessert, and drink.

If you are interested in purchasing the meals for your organization, send an email to concessions@falconsound.org with your school's name and the name and number of the point of contact who will coordinate the meal deal distribution for the students. A link to a special Google form with your school's name will be made available. Please send this Google form link to your students to make their selections. The Google form will close on September 27th at 5pm. No late orders will be accepted.

A confirmation email with a consolidated list of student's orders will be sent to you no later than September 30th. You will have the opportunity to choose a time you would like your meals to be made available at that time.

All electronic payments must be received no later than September 30th in order to guarantee your order. Organizations can pay for their entire order electronically. Electronic payments from individual students will not be honored. In the notes section please include "Meal Deal 2024" and your school's name.
